Dear Mark,

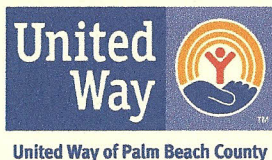

On behalf of Clinics Can Help, 501 (c) 3. I would like to thank you for your generous donation of time and material to fix our cargo van. Our van is a key resource for our charity and enables us to reach those in need of medical equipment who do not have access to transportation.

Your generosity will help us to continue our mission to improve the quality of health care by providing free durable medical equipment and supplies to financially needy patients, clinics, programs and schools in Palm Beach County.

Thank you again for caring about the health and well being of children and adults in our community.

Sincerely yours,

**Owen O'Neill
Executive Director
